First Circular and Call for Abstracts

16th International Congress of the Hungarian Society for Microbiology

Organised by
the Hungarian Society for Microbiology,
the Faculty of Science, Eötvös Loránd University,
the Hungarian Society for Immunology,
the Biotechnological Section of the Hungarian Biochemical Society,
and the Foundation of the Hungarian Society for Microbiology

Scientific Advisory Board
Paul A. Barrow (UK) | Levente Emődy (Hungary) | Wolfgang Graninger (Austria) | Kálmán Könczöl (Hungary) | Kornél L. Kovács (Hungary) | Christian P. Kubíček (Austria) | Peter G. Medveczky (USA) | János Minárovits (Hungary) | Vladimir Mrsa (Croatia) | Béla Nagy (Hungary) | Károly Nagy (Hungary) | Hans Helmut Niller (Germany) | Peter Raspor (Slovenia) | Julius Rajcani (Slovakia) | Lee W. Riley (USA) | Ferenc Rozgonyi (Hungary) | Peter Schumann (Germany)

July 20-22, 2011

Eötvös Loránd University Convention Centre
Budapest (XI. Pázmány Péter sétány 1.) Hungary
Dear Colleagues,

On behalf of the Presidium of the Hungarian Society for Microbiology and the Council of the Eötvös Loránd University Faculty of Science we would like to invite you to attend the 16th International Congress of the Hungarian Society for Microbiology (July 20-22, 2011) organized by the Hungarian Society for Microbiology, the Faculty of Science, Eötvös Loránd University, the Hungarian Society for Immunology, the Biotechnological Section of the Hungarian Biochemical Society, and the Foundation of the Hungarian Society for Microbiology at the Eötvös Loránd University, Faculty of Science.

The Hungarian Society for Microbiology organizes its every second Annual Meetings as international scientific events. Two years ago the 2nd Central European Forum for Microbiology (CEFORM; co-organized with the Croatian Microbiological Society) attracted participants from most of the Central-European countries. We hope that our 16th International Congress will appeal to even more Colleagues than the previous ones and will be a superb meeting in the beautiful city of Budapest.

The official language of the Congress is English. The program will cover all major branches of microbiology and will include invited plenary lectures, introductory lectures (15 + 5 min), lectures (10 + 5 min), short lectures (7 + 3 min) and poster sessions.

We are looking forward to see you at the Congress (venue: Eötvös Loránd University Convention Centre, Budapest XI., Pázmány Péter sétány 1.) and we hope that you will find it a stimulating scientific event and happy personal experience.

János Minárovits
President
Hungarian Society for Microbiology

Organising Committee
Andrea K. Borsodi | Judith Deák | Tibor Deák | Levente Karaffa | Gábor Kovács | Anna Maráz | Yvette Mándi | Erzsébet Nagy | Mária Takács, and Károly Márialigeti Congress Secretary (e-mail: fotitkar@mmt.org.hu)
Preliminary Scientific Program

Agricultural Microbiology
- Soil - plant - animal - microbe interactions in crop production (including GMO-s)
- Forestry microbiology
- Bio-indication and bio-sensorics
- Biotization, rhizosphere and phyllosphere technology
- Simulation modelling

Bacteriology
- Molecular biology and physiology of bacteria
- Human and veterinary pathogens and pathogenesis
- Traditional and molecular diagnostic methods, vaccination
- Genetic background and mechanisms of antimicrobial resistance
- Bacteriophages

Clinical Microbiology
- Case reports
- Possibilities and restrictions in gene therapy
- Diagnostic methods
- STD-STI (syphilis, HIV/AIDS, genital herpes, HPV, Chlamydia infections)
- Microbial interactions
- Beta-lactamase resistance in the clinical praxis

Environmental Microbiology
- Microbial biodiversity, general and molecular ecology and systematics
- Structure and activities of microbial communities
- Microbiology of extreme environments, and pollution; global effects
- Bioremediation technologies
- Waste and waste water treatment

Food Microbiology
- Improvement of microbiological safety of foods
- Food safety and agricultural raw materials, microbiological risk assessment
Rapid microbiological methods
Pro- and prebiotics, biopreservation
Microbial interactions
Stress adaptation of food microbes, "new" spore formers in foods

Immunology and Parasitology
Infection and immunity
Immunogenetics, immunodiagnostics
Control of infectious diseases: vaccination
Host-parasite interactions, new and emerging parasitic diseases
Helminthology, and protozoal diseases, taxonomic questions of parasites

Industrial Microbiology
Microbial fermentation processes, bioconversions and biotransformations
Microbial processes for food, beverages, aroma and feed
Directed evolution of enzymes for applied biocatalysis
Physiological and molecular basis of metabolite overproduction
Bioreactor design, modelling, non-microbial fermentation processes

Mycology
Evolution and systematics of fungi
Physiology, genetics and molecular biology of fungi
Fungi as pathogens, diagnostic methods in mycology, epidemiology
The organization of the fungal genome, taxonomy of yeasts and fungi
Applied mycology

Virology
All aspects of human, animal and plant viruses
Evolution of viruses, molecular virology, tumour inducing viruses
Pathogenesis of virus diseases, virus-host interaction
Diagnostics of viral diseases
Novel endogenic and exogenic retroviruses in the pathogenesis of human diseases, aging and viruses
Vaccination and therapy, bioterrorism
Call for Papers and Abstract Submission

Language

The official language of the Congress is English.

Call for Papers

Papers related to any topic covered by the sessions of the congress will be considered. Please use the homepage of the Hungarian Society for Microbiology (www.mmt.org.hu) for registration and abstract submission. Authors should express their preference for oral (introductory lecture, lecture, short lecture) or poster presentation. There are limited numbers of oral presentations, therefore the abstracts submitted as an introductory lecture may be converted to a shorter presentation and intended oral presentations may be converted to posters. All authors concerned will be notified in due time. (If you are unwilling to make poster presentation please indicate it in the space provided!) Speakers at introductory lectures will have 20 minutes, at lectures 15 minutes, whereas at short lectures 10 minutes which includes questions and discussion. The time limit will be strictly kept, whenever reasonable.

Standard audio-visual equipment will be provided. Please indicate your special needs (e.g. two video-projectors) in the registration form.

Posters will be displayed for three full days. Adhesive, etc. for poster affixation will be provided. Poster sessions will be scheduled in the morning and late in the afternoon. During the Poster Session authors of posters are requested to be present at their posters at the time specified in the program. This will give all congress delegates the opportunity for questions and discussion. Poster displays should be self-explanatory even in the absence of authors. Posters should not exceed a size of 85 cm (width) x 120 cm (height) (standing A0 format).

Student poster presentations will be eligible for prizes. To compete in the awards a letter confirming student status must accompany the abstract submitted to the Congress Secretariat (e-mail: fotitkar@mmt.org.hu)!

The Abstract Book of the 16th International Congress of the Hungarian Society for Microbiology will be published as a supplement issue of Acta Microbiologica et Immunologica Hungarica. The abstract (including author/s/ + affiliation/s/ + address/es/ + text body) should not exceed 3500 characters. Please follow the instructions on the homepage (www.mmt.org.hu)!

</table>

Accompanying persons are most welcome at the opening ceremony, banquet (July 20) and commercial exhibition. Their fee covers lunch for three days (July 20, 21 and 22), sightseeing at Budapest, and also a farewell drink. We also offer various cultural and tourists programs.

The Country, the City, the Congress Venue and Accommodation

Hungary (http://itthon.hu/)

The Republic of Hungary is situated in Central Europe. The country covers an area of less than 100,000 km² and it has roughly 10 million inhabitants, who speak a unique language which is not used anywhere else in the world. Hungary has become a full member of the European Union from 1st May 2004.

In the year of 2000 the Nation celebrated the thousandth anniversary of the foundation of the Hungarian State. Since the time of the state founder King Saint Stephen, Hungary had to go through several repeated trials and tribulations besides its golden eras, but it could stay on its feet despite its stormy history. Today, Hungary is one of the most popular destinations of visitors who wish to encounter this beautiful country with its natural, historical, cultural and gastronomic attractions.

Budapest (http://www.budapest-tourist.info/)

The capital of Hungary, known by many as the "Pearl of the Danube", is undoubtedly one of the most beautifully located cities in the world. The river
Danube runs through the middle of the metropolis of two million, dividing hilly Buda with its narrow cobbled streets and mixture of medieval and neo-classical buildings from the Pest plain with its wide boulevards. Because of the picturesque panorama offered by the river and its bridges, the Parliament, the imposing Royal Castle, Fishermen’s Bastion and the impressive Danube Embankment, UNESCO placed this site on the World heritage list.

The guests will find side by side the remains of fortresses and buildings from Roman times, still operating Turkish baths, Gothic and Baroque buildings, and the incredible rich Art Nouveau architectural heritage. There is no other capital city in the world with close on 100 thermal springs and 12 medicinal baths within its boundaries, where 90 million L of thermal water rise to the surface each day.

It is a city where the pleasing harmony of different architectural styles and superb structures, gastronomy and culture are combined with legendary hospitality blend into an unforgettable experience for visitors. During your visit you will have a chance to get acquainted with the sights of Budapest, a city inhabited by descendants of the Magyar tribes 1100 years ago and many invaders, settlers and refugees who arrived later. The Roman period, the Turkish occupation and the "good old" Austro-Hungarian Monarchy has left unique, still visible marks on the capital. We hope that you will enjoy the wonderful panorama and taste the delicious foods and excellent wines of the country while in Budapest. Welcome!

Congress Venue

The Congress and the connected Exhibition will be held at the Eötvös Loránd University Convention Centre (address: Budapest XI., Pázmány Péter sétány 1.). The venue is equipped with a complete range of conference facilities and there is ample comfortable accommodation nearby. The Congress site can be reached easily by public transport (e.g. trams No. 4 or 6 and/or bus No. 12) and it is fully accessible for disabled people. It is situated in a pleasant and scenic park on the Danube embankment, enriched by the pleasant atmosphere on the Buda side of the river.

The Eötvös Loránd University (http://www.elte.hu/en) is three and a half century old, and the biggest University of Hungary. The broad range and high quality of its education, along with its research capacity and intellectual resources, place it among the leading academic institutions of the coun-
try. The Faculty of Science is made up of departments and laboratories grouped into five institutes. These cover disciplines in biology, chemistry, earth sciences and geography, mathematics, and physics. There are over 6,000 full-time graduate and about 500 PhD students as well as 600 academic staff members.

Accommodation
Rooms have been reserved for the participants in neighbouring hotels and university dormitories. Please read carefully the descriptions on the conference website and indicate your preferences on the registration form (www.mmt.org.hu) because we can’t guarantee booking in the hotels listed later. The prices are to be understood per night per room, including breakfast and taxes. Cost of Hotel is to be paid in advance! At the Hotels you have to pay the extras only. Please tick the box if you do want to share your room, or please indicate the name of your room-mate!

Meals and Banquet
Coffee breaks and lunch will be served at the Reception Hall of the Eötvös Loránd University Convention Centre.

The banquet will take place on Wednesday (July 20) on a Danube Boat. A buffet dinner will be served while a band entertains participants.

Social Programs and Post-Congress Tour
Half-day and Full-day excursions will be provided for participants and accompanying persons during the conference. There will be a 2 days Post-Congress Wine Tasting Tour to Tokaj. For detailed information please kindly check the website of the conference and please indicate your request on the registration form.

Deadlines and Payment Information

Deadline for Abstract Submission: 31st May 2011

Deadlines for Registration and Payment:

Early registration before 31st May 2011
Regular registration after 31st May 2011
On Site registration after 5th July 2011
Cancellation charge

80% Refund before 15th June 2011
No Refund after 15th June 2011

Please register at the homepage of the Hungarian Society for Microbiology (www.mmt.org.hu). Please follow the instructions on the homepage at submission of your registration/accommodation preferences.

Payments (registration fee, accommodation fee, optional meals, excursions, etc.) should be sent to Weco Travel Ltd, Incoming & Congress Department (Rumbach S. u. 19., Budapest, H-1075 Hungary; phone: +36-1-266-7032; fax: +36-1-266-7033; e-mail: incoming@chemoltravel.hu) by means of:

Please do not forget to indicate the participants name on the remittance.

- Credit card mail order

Please kindly note that all bank charges (if any) should be covered by the payee.

Cancellation

Registration cancellations must be made in written form to the Congress Secretariat.

Confirmation of Registration

Participants will receive an acknowledgement of their registration and abstract submission. Please read carefully the acknowledging e-mail, and do not forget to confirm your registration and abstract submission!

Reservations will be finalized and reconfirmed only after having received payment by Weco Travel Ltd. A receipt will be given at the conference venue upon registration.

Invitation

If you require a letter of invitation please notify the Congress Secretariat.

Invitation is only to assist participants to obtain travel grants, visa, etc. and does not imply any commitment of the Congress Administration to provide
financial support.

Exhibitions/Sponsors
A commercial exhibition related to microbial diagnostics, research and biotechnology for laboratory suppliers, publishers, and consultants will be organized during the meeting. A sponsorship program ensures contributing organizations receive maximum exposure during the meeting. For further information please register at the homepage of the Hungarian Society for Microbiology (www.mmt.org.hu).

General Information
Most European and North American international airlines serve Budapest by regular flights. Railway connections are excellent with all European countries. Those who come by car should notice that the Congress Venue and Hotels are easily accessible from the M1 and M7 motorways.

Public transportation in Budapest is extensive, and reliable. Tickets must be purchased at Metro stations, Hotels, Tobacco shops, etc. in advance and validated on board. Last busses and trams start from the final stops at 11 p.m. Within the city, when needed, we recommend the use of "City taxi" (dial: +36-1-2 111 111), or "Taxi 4" (dial: +361-4-444-444).

The Congress Bag will provide information material on restaurants, bars, and cafes in Budapest, as well as popular events, which take place during your stay in Budapest. Addresses, telephone numbers, opening hours and the acceptance of credit cards are pointed out.

The climate in July is very pleasant, for some people may be even hot. The average daytime temperature is around 22 C degrees. Daily maximum values will reach 28-34 C. A light coat and some wet weather protection might be useful, especially for those who plan to take part at congress tours.

Currency: Hungarian Forint.

Credit cards: Visa, Eurocard, MasterCard, American Express, is accepted in Hotels and most restaurants and stores. Please ask before ordering! Shopping hours: usually 10.00 to 18.00. Most shops are closed Sunday's.

Power supply: 220 V, AC 60 Hz.

Value Added Tax: VAT (in Hungarian ÁFA) is charged (except in duty-free shops), the rate is 25 %.

Tipping: Tips in restaurants and for taxis - depending on the service - are optional but expected. Maximum rate is 10 %.
An Eötvös Workshops of Science Congress.
